Dear Honorable Judge Anderson

My name is Artavia Lorraine Turner and I am person who was convicted in your courtroom in Dec of 2008 since then I have been sentence to 1yr supervised probation and a court order to pay the Court \$1410.00. I have writen to you two times prior to this letter asking for an extension. This letter is the last and final letter I will be sending requesting a 90 day extension. My finances have charged significantly and I am trying to get this approval so I can pay off the full balance when I receive my taxes back. I am however still going to school to be a child bearing alcohol-free. Judge ~~off~~ beg of you to grant me this last extension because with school and a child I ~~am not afford~~ the maximum fine or jail ~~time~~ help me Mr. Anderson and again I am sorry for my childish acts of drinking and driving. I dont usually

make stupid mistakes but I  
am human. I can only use this  
as a learning experience. I  
haven't had any prior run-ins with  
the Law so all of this is fairly  
new to me. I know it's my  
responsibility to pay my court cost  
and I will. I just need more time

Thanks in advance

A. Lohme
